

United Machine Works

High Quality State of the Art
Machining • Welding • Fabrication

WHO WE ARE...

PROFESSIONAL

United Machine Works has grown with it's customers by providing high quality, on-time delivery of state of the art machined parts and fabrication at competitive pricing.

Our equipment is selected for maximum quality production in minimum time. We have the capability and the expertise to machine all grades of stainless steel, carbon steel, cast iron and other non-ferrous materials. Our size capability is up to 42"

Since the quality of a part is determined before it is inspected, the United Machine Works system of Total Quality Control insures product reliability by design. Our Quality Manual is available upon request.

SERVICE ORIENTED

We at United Machine Works take pride in the service we offer our customers. We strive to ensure that your job is completed on time and on spec because we know how important your production time is. We are able to offer fast turnaround when time is of the essence.

Effective cost control is a large factor in production. We do our best to insure your costs are kept as low as possible by aggressive material sourcing to keep material costs down and careful job planning to keep labor costs down.

OUR EQUIPMENT

CNC Lathes

- DMG CTX 410 CNC Lathe
- Daewoo Puma 400 CNC Lathe

CNC Mills

- Daewoo DMV 4020 CNC Vertical Machining Center
- Haas CNC Vertical Milling Machine

Engine Lathes:

- | | |
|-------------------|----------|
| • Lang | 34 X 140 |
| • Lodge & Shipley | 52 X 180 |
| • Colchester | |
| • Axelson | |
| • Axelson | |
| • Hercules - Ajax | |
| • Jet | |
| • Jet | |
| • Summit | 18 X 100 |
| • Hysan | |

Turret Lathes:

- | | |
|------------|---------|
| • Herbert | 30 X 80 |
| • Clausing | |

Bullards:

- 36" Vertical Bullard
- 42" Vertical Bullard
- 42" Cutmaster Vertical Bullard

Welding Machines:

- Miller Syncrowave 250 Arc/Tig Welder
- Miller Bobcat 250 Arc Welder
- Miller Deltaweld 652 Arc/Mig Welder
- Westinghouse Arc Welder

Milling / Drilling Machines:

- Daewoo DA110T, D130E Horizontal Boring & Milling Machine - 5.0" Spindle
- Acer E-mill
- Bridgeport Milling Machine
- Hitachi-Seiki Horizontal Boring Mill
- Cincinnati Bickford Radial Drill Press
- Cincinnati Bickford Milling Machine
- Rockport Hydraulic Keyway Cutter (Capacity 48" O.D.)
- Dake Arborpress
- Cleerman Layout Drilling Machine
- Sharp Milling Machine
- Lincoln 12 Speed Heavy Duty Drill Press

Lifting

- Hyster Forklift - 6000# Capacity

OUR VALUED CUSTOMERS

We take great pride in the customers we attract and keep at United Machine Works. Some of our customers you may recognize are:

- Atlas Castings & Technology
- BJ Services Company USA, L.P.
- Bott Equipment Co.
- Breco International
- B-W Grinding Services, Inc.
- C & S Metal Fabricators
- Confederate Steel, Inc.
- Creative Alloy Products Company
- Dynamic Machine Services
- F.W. Gartner
- Gulf Stream Marine, Inc.
- Gulfco, Inc.
- H & M Plating Co., Inc..
- Kreiter Geartech.
- Norris Machine Works
- Riten Industries
- Rolligon Corporation
- Southwestern Processors
- Sulzer Pumps
- Tejas Research & Engineering
- Texas Gulf Coast Machine
- Turbo Machine
- Western Rubber & Mfg., Inc.
- W.W. Drilling & Foundation
